**PLEASE NOTE:** If you lose your script and it is unable to be redone by your GP (which is dependent upon what medication the script is for) there will be a \$50 charge to have Dr Pascoe redo the script if it needs to be done before your next appointment. Most scripts can be redone by your GP and we would recommend contacting them first.

**Botox Treatment for Migraine** - Treatment is scheduled every 84 days (as per Fed Gov Guidelines) and must be maintained for best results. Botox appointments will be charged a total of \$465 for the Botox injections and a Follow-up consultation. See above for total rebate.
